Planned giving is a tool for donors of any age as they consider the legacy they want to leave to their family and nonprofits they hold dear.

"After multiple conversations about planned giving, we decided to talk with the BCF this year. We scheduled an appointment with Laura and discussed what options would be best for our family. We have comfort and peace in knowing that our money will be utilized for the greater good of the community we love after we are gone."

What a pleasure it has been to serve the Bartlesville Community Foundation for a sixth year! 2023 was exceptional for our organization. Flipping through these pages you'll find the BCF facilitated an outstanding scholarship cycle, continued to grow in new fund relationships, awarded grants that ARE making a difference in our community, and so much more.

Together, we work to build bridges between donors and funders. We offer a place to remember a loved one, and leave a legacy that benefits all of a donor's interests while also building a sustainable resource for a place we hold dear – our community.

Now, I humbly ask you to join me, our dedicated staff, and committed board in giving to the BCF. Your support means the BCF can focus on brining people together to benefit Bartlesville today and tomorrow.

Thank You

This year our community gathered to celebrate the lives of Charlie and Corky Bowerman. Charlie was a founding member of our board who served from 1999-2019. We are forever grateful for their leadership and commitment to the advancement of the Foundation. Thank you.

2023 IMPACT REPORT

Jared Fink

Glenn & Anne Dodwell Memorial Scholarship Recipient

Dr.'s Glenn and Anne Dodwell were dedicated professionals who worked in Bartlesville for more than 20 years. Together, through a scholarship established with the BCF in their estate plan, Glenn and Anne's legacy lives on and helps others pursue education in the fields they found so meaningful - chemistry, chemical engineering, and nurse anesthesiology.

"It is a tremendous honor to be a recipient of the Glenn & Anne Dodwell Memorial Scholarship. I have been blessed to receive this extremely generous award over the past three years. It has taken an enormous financial burden from me and allowed me to put my focus in the books and patient care. Thank you so much for all of your support!"
