## A letter from our Executive Director

December 3<sup>rd</sup>, 2024 marks the Bartlesville Community Foundation's 25<sup>th</sup> birthday! As I reflect, I can't help but feel proud of our team and the ways we engaged in our community to support local organizations and reach new milestones.

This year, the BCF attained national accreditation through the Council on Foundation's National Standards program, purchased a building, hosted a new and incredibly exciting celebration event - Celebrate Together, connected more than 200 funds to advance their charitable goals, and so much more.

As we look to the upcoming year, I'm excited by an opportunity to engage with you whether through the revealing of our new space, at a BCF event, through the establishment of a fund, or as a donor to an existing fund or project.

Join me in giving to the BCF and advancing sustainable impact.

Together, we can!  
Laura
