

Join Our

Legacy Society

The Legacy Society recognizes and thanks donors who share the Foundation's vision of building permanent charitable capital, and who have affirmed that vision by making a gift to local charitable organizations through the Community Foundation.

How to Get Started

Start or Give to a Permanent Fund

Support the organizations you cherish now and generations from now by starting or contributing to an existing permanent fund with a gift of \$25,000 or more.

How will my support be recognized?

Donors who start or give to a permanent fund today or through their estate plan may join their peers on the Legacy Society Wall, receive a Gold BCF Pin, and will affect their vibrant community for generations to come.

Make a Planned or Deferred Gift

The BCF collaborates with donors and their legal and financial advisors to establish plans that honor their legacy. Complete your estate plan then communicate your objective to support a permanent charitable goal to the BCF through a Statement of Donor Intent. We hold this promise and act on your goals when the time comes.
